25 YEARS IN IT INDUSTRY

GBM Distribution is one of the leading distributors over 20 years specialized in Value Added Distribution (VAD), B2B solutions for next-generation technologies, which enables our partners to empower the market with products and solutions the world needs to connect, grow and advance.

OUR STATEMENT

Vision

To be the leading value add distributor for next-generation technology and future trade in the region.

Mission

Empowering Business Partners with reach, efficiency, expertise, and world-class execution.

OPERATIONS

We consistently produce results that meet the expectations of our customers and suppliers. We accept our individual and team responsibilities to meet our commitments.

We honor the rights of our partners and community. We treat others with the highest degree of dignity, equality, and trust, leveraging diversity to meet our common goals.

We continually acquire new knowledge to improve performance and enable growth for the Company and ourselves.

We abide by the highest ethical standards, demonstrating honesty and fairness in every action that we take, everywhere, all the time.

OUR BRANDS

GBM Distribution products portfolio includes leading global brands reaching out to over 2,500 resellers in the region.

Our Message

Suhaib Al Tamimi
General Manager

GBM Distribution's results have continued to advance our strategic priorities of steady and sustainable growth.

Our focus is to be the leading value add distributor for next-generation technology and future trade in the region, combined with accelerating our network reach across the Middle East and Africa.

We continue to utilize our professional skills and abilities to respond to the regional expansion and a wide range of customers and create a more affluent environment through technology distribution.
